

PROGRESS REPORT

PROJECT:

STATUS:

Pole Barn

COMPLETED!
Mission accomplished; protecting the park's precious equipment necessary for maintenance.

Visitor's Center

IN PROGRESS!
 Work is 40% done and completion is set for end of 2022. Further work needed on interior – furnishings, stock and exhibits.

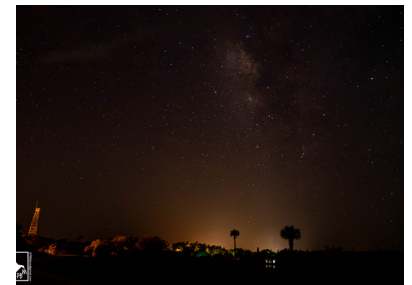

Cigar Orchid Preservation and Orchid Inventory

IN PROGRESS!
 Staff biologists and park volunteers continue their work surveying the Orchid population, putting special focus on the re-habilitated Cigar Orchid- back in its' Native Fakahatchee!

Tours & Education

IN PROGRESS!
 2022-2023 season looks to be the most productive year for FOF led tours, including the return of Swamp Walks, tram tours and new Night Sky stargazing experience.

Hurricane Ian Old Boardwalk Repairs

UNDER EVALUATION!
 The damage to the Old Boardwalk is still unclear. Extensive repairs needed before re-opening date can be announced.
